The Basics

This class is not only obedience, but behavioural training as well. We will work on a number of things including basic commands fun tips and tricks, boredom busting brain games and mastering the walk. Claiming space and objects are another wonderful skill we will teach you, no more baby gates!

This class is geared towards anyone with a dog, old dogs included. In case you are wondering you can teach an old dog new tricks. If you have a puppy five or six months old is an excellent age to start training as their attention span increases. You are welcome to start as young as four months old.

Price: \$262.50 (including tax)

Dog's Age: 4 months or older

Five consecutive classes @ 1h 15 min each

Online Hybrid Classes

Due to Covid-19 restrictions this class will also be offered online. The ONLINE classes will consist of:

- Five consecutive ONLINE* classes @ 1h 15min
- Two in-person group classes

*as long as restrictions still allow 1:1 training session you are also welcome to join me at The Dog Shoppe for one "LIVE" online class. You will get to watch from the mezzanine as I demo your dog for the whole class. These LIVE classes are booked as first come, first serve and subject to availability.
