

Puppy Socials – 6 months and under

*Due to Covid-19 Socials are only being held at The Dog Shoppe in Devon

Congratulations on your new puppy! Attending Socials are a great way to work on socialization with your new addition. The more you can expose your puppy to the better they will be for their lifetime.

These classes are only open to my clients and their dogs who have graduated The Basics. This class is NOT open to the public unless your dog is UNDER 6 months old.

You will be required to register online and send a PDF copy of your pup's vaccination certificates. They must have their second set of shots ten days prior to their first Social. Once your puppy is over 6 months old you will no longer be eligible to attend Socials until you have graduated The Basics.

Do not feed your dog within one hour prior to Socials, or until one hour after.

Please arrive early so you have time to walk your dog prior to your class. This will help eliminate some pre-social jitters and give them a chance to relieve themselves. The doors will open 10 minutes prior to your Social.

The doors will be locked once we start and not opened until the Social is finished. **IF YOU ARE LATE YOU WILL NOT BE LET IN.**

You will be expected to also walk for the full 30-minute Social Class. Our movement helps the dogs keep moving in a nice flow. Children under 16 will not be permitted.

Once the leashes are off you will not be permitted to look, talk, touch or correct any dogs including your own. CW Staff will be there to assist any dogs not ready to be let off-leash and keep the peace during class. If we get more dogs that need to be handled, then available staff we will do our best to share the time.

Buy a VIP (Very Important Pup) Punch Pass for \$21 and get one Social for FREE or pay \$5.25 at the door

Socials Classes

Party Animal & Wild Woofers

Happy go lucky large dogs 50lbs and over

Canine Club & Hound Hangout

Large dogs that like a more relaxed Social (not for puppies)

Mutt Mixer

For medium dogs that like a more relaxed Social (not for puppies)
